

COCCON/EM27 Telecon

22nd of July 2021

Outline

- Idea of these telecons
- Short presentation of Magic Campaign (Caroline Bes, CNES France)
- Discussion round / time for questions
- Outlook: Next teleco

Motivation

- Initiated by Nikki Jakobs (UAF), thanks.
- Thanks to Greg Osterman (JPL) for providing WebEx Meeting.
- Regular, bimonthly telecons: Providing a platform for you to discuss EM27/SUN related issues:
 - instrumental problems, good practice
 - campaign activities (e.g. MAGIC campaign)
 - Innovations (e.g. shelters, software updates, ...)

Presentation of Magic Campaign

Caroline Bes (CNES) presents the MAGIC Campaign.

Discussions and Questions

- Now it's your turn: Time for questions and discussions. The notes will be included in the minutes of this teleconference.

Next telecon

- Next telecon 9th of September at 18:00 UTC
- If you want to present something or have any question you would like to discuss, email me:
benedikt.herkommer@kit.edu
- Looking forward to see you there!
